

Product description

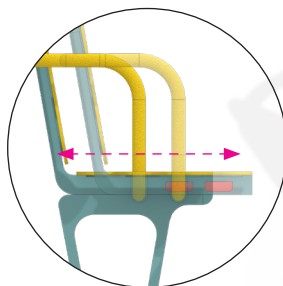

The Leg Cycle is a specially designed exercise bike that caters to the unique needs of frail elderly individuals. With its ergonomic back-rests, padded seats with hand-grips, and adjustable weight resistance, this cycle provides a safe, low-impact workout that promotes physical health, mobility, and overall well-being. Its user-friendly design ensures comfort and accessibility, making it an ideal choice for seniors with limited strength or mobility.

Product information

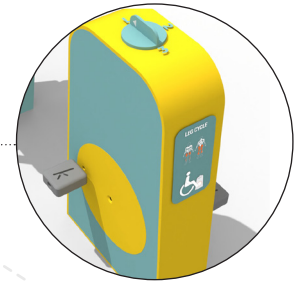

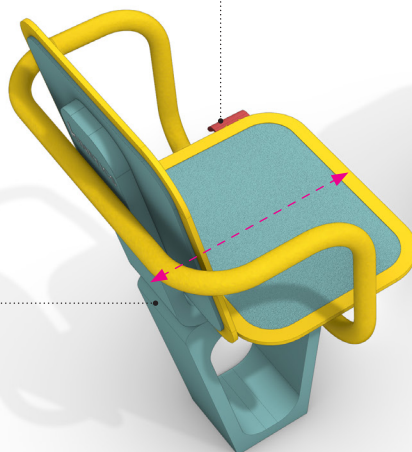

Category	: SilverActive Elderly Fitness
Age group	: 16yrs & above
